Mr. Jacob Rice
Shoe Giver of Tampa
1733 West Fletcher Avenue
Tampa, FL33612

Dear Mr. Jacob Rice,

This is a letter of commitment on behalf of the Corporation to Develop Communities of Tampa, Inc to partner with Shoe Giver of Tampa.

CDC of Tampa, Inc. is a 501(c) 3 not-for-profit community development corporation that rebuilds and develops economically depressed areas of Tampa into viable, thriving and self sufficient neighborhoods by improving business and housing opportunities, the lives and the spirit of communities.

Our premier youth program, 100 Youth Leadership Movement and East Tampa Learning Academy assist youth to establish a path to self sufficiency through academic mentoring to obtain a high school diploma, enter a college, trades and/or secure employment. These programs promote youth development, academic achievement, financial education, and employability skills among at risk youth through targeted support, skill building and parental engagement.

CDC is excited to partner with Shoe Giver of Tampa to enhance our services in the 100 Youth Leadership Movement by strengthening our ability to provide services to the families of our youth. We provide services that engage families in building healthy relationships between the child and parent.

We are committed to assisting in recruitment and distribution of donated products to youth and their families that participate in the Shoe Giver of Tampa project. In addition, any companies participating in the program by donating shoes can do so through our 501(c) 3 not-for-profit status.

CDC of Tampa is in agreement with Shoe Giver of Tampa to provide the above services.

Sincerely,

Toni Watts,
President/CEO
